Keep out of reach of children

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Dr. Wachters' Professional Formula A is an exclusive scientific formula designed for the healing profession. It is a pleasant tasting, easily assimilated powder with concentrated vitamins and minerals. Formula A meets or exceeds the RDV for 15 vitamins and minerals. This product contains antioxidants Natural Vitamins E, C and A (Beta Carotene) plus high levels of B vitamins. The B vitamins may help maintain the health of the nerves, eyes and liver. Formula A also contains minerals, including Calcium which is vital for strong bones and teeth and may help support cholesterol levels already within the normal range. Vitamins E and C may reduce oxidative damage and improve circulation and blood lipids. Selenium enhances vitamin E uptake and is also a vital antioxidant. Antioxidants help protect the body from the formation of free radicals that may impair the immune system and cause damage to the cell in the body. Magnesium can have relaxing and antispasmodic effects on the blood vessels and may aid in maintaining the proper pH level in the body. The Wachters' Exclusive Blend of Sea Vegetation® is the key ingredient that makes this formula unique. *
