Our blend has been specifically created using up to 15 different species of sea vegetation from around the world. Our species are selected for their rich nutritional profile of naturally occurring vitamins, minerals, trace minerals, amino acids as well as purity and quality. If they do not pass our quality tests they do not make it into Wachers' Exclusive Blend, putting it in a class by itself. It is this incredible quality Blend that makes our XXtra Boost Juice® the beverage for the 21st century.

Wachers' Organic Sea Products dietary supplements contain no preservatives, yeast, artificial colorings, artificial flavorings, starch or animal products. No heat or chemicals are used in preparation of No. 35.
