

## **Prostate Cancer Is One Of The Leading Causes Of Death In Men Over The Age Of 40!**

*After the age of 40, men become acutely aware of the potential disorders associated with the prostate gland. Located at the base of the male bladder, the prostate helps control the flow of urine. Prostate dysfunction can create difficulty in emptying the bladder. Studies have suggested that prostate problems may cause the loss of libido, impotence and cancer.*

*Wachters' has drawn upon the wisdom of three medical traditions to create a "state of the art" formula for men's special needs.*

## **Men's Prosta-Gard**

WHP Men's Prosta-Gard is an exclusive scientific formulation consisting of herbal and natural ingredients that have been used for centuries in Chinese and Ayurvedic Medicine to serve as a tonic for a man's special health requirements. Saw Palmetto Berries contain substances that may inhibit the formation of DHT from testosterone. Pygeum may limit the effect of potentially harmful hormones and several studies have shown that these two herbs work well together. Pumpkin Seed and Uva Ursi are traditional herbs used to support prostate health. Zinc is important in prostate gland function. Wachters' Exclusive Blend of Sea Vegetation®, a unique combination of organic compounds comprising up to 15 different species of the highest quality sea vegetation from around the world, that serves as a synergistic activator of the other ingredients in WHP – Men's Prosta-Gard.\*
