

Vitamin C

In a Refreshing Drink Mix

Of all the vitamins and supplements on the market today, there are none that compare with the universal popularity of Vitamin C. This vitamin is the body's primary water-soluble antioxidant, helping to fight damage caused by free radicals. Vitamin C helps us with immunity – fighting cold and flue symptoms and speeding recovery. It is also excellent in supporting healthy gums. Recent studies reveal that Vitamin C may be helpful in protecting the heart and eyes.

Now you can enjoy this health promoting supplement in the Wachters' delicious powder mix. Freeze it in your ice cube tray as a treat!
