

No. 35 - XXtra Boost Juice™ Liquid Essence

Product Code 5240 - 16 oz

Dosage: 1 tablespoon in 8 oz of water or juice.

For our 75th anniversary, Wachters' has improved No. 35 - XXtra Boost Juice™, introduced just 5 years ago. The company has not manufactured a liquid supplement in over 55 years, since No. 41 - Liquid Dietary Chlorophyll made its appearance. Now, the powerful herb Pomegrante has been added to the formula, increasing the "boost" in Boost Juice.

Originally, No. 35 - XXtra Boost Juice™ was five years in development. It is an artfully blended, naturally nutritious, non-alcoholic, complete tonic for all systems of the body. It is made from 17 herbal extracts, each carefully selected from around the world for its specific cellular functions and to work together synergistically. The herbs cover the health spectrum with over six immune system support herbs, five antioxidant herbs, three detoxifying herbs and four cardiovascular herbs, as well as many other herbs with multiple functions.

To this formula, Wachters' always adds ÒNature's Sparkplug,Ó Wachters' Blend of Sea Vegetation™, our unique proprietary blend of up to 15 species of sea vegetation.

Filled with nature's own organic nutrient compounds, No. 35 - XXtra Boost Juice™ is a powerful source of vitamins, minerals, essential trace minerals and amino acids. Their restorative and health building properties are designed to:

- strengthen the immune system
- support cardiovascular health
- oxygenate the blood
- detoxify bodily impurities
- fight the effects of stress, aging and fatigue
- attack free radicals
- promote energy flow and vitality
- refresh the DNA
- improve endurance and stamina
- Aids other important functions as well.

The secret of the No. 35 - XXtra Boost Juice™ formulation lies in its *synergy*. Each herbal component complements the others, forming a powerful nutritional bond. The client is provided with the optimum value of each individual plant.

SUGGESTED USE: One tablespoon of No. 35 - XXtra Boost Juice™ daily in an 8 oz. glass of water or juice. Stir until blended. Refrigerate after opening.
