Product Specification Information

Nutri-Hair Complex Shampoo

Product Code 8330 - 8 Fl. Oz.

Directions: Wet hair. Thoroughly work a small amount of shampoo through the hair and onto the scalp. Rise. Reapply as needed. For extra action, leave shampoo on hair for about a minute before rinsing completely.

Your crowning glory needs regular attention to stay healthy. Remember that what your hair looks like is a reflection of how you take care of your hair, how it is fed and how it is treated. A holistic approach to hair care is necessary to maintain its health, strength, color and vitality for the long run.

A nutritious diet, mindful eating, adequate sleep, managing stress are part of a holistic strategy for your hair. Your hair needs support from the inside out. Wachters' **No. 12 – Nutri-Hair Complex** is designed to supplement your nutritious diet for your hair to have its most attractive look and feel.

Keeping your hair and scalp clean with Wachters' **Nutri-Hair Complex Shampoo**. You can avoid itchy scalp and clogged hair follicles. Be careful not to dry out your hair with excessive washing. Use Wachters' Nutri-Hair Conditioner to build hair strength, detangle your hair and inhibit hair damage

Accented with Wachters' Exclusive Blend of Sea Vegetation®. Nutri-Hair Complex Shampoo replenishes natural moisture for silky shiny hair. Used in combination with No. 12 – Nutri-Hair Complex supplement and **Nutri-Hair Complex Conditioner**, you will love the healthiest hair possible.

Try the **Wachters' Nutri-Hair Complex System** today and see for yourself!
