

The Human Body

is a Remarkable Self-Regenerating System... if We Take Care of Ourselves.

To Renew Itself, Our Body Requires Internal Cleansing and Good Nutrition. After a Heavy Holiday Season of Overeating, We Need to Do Some Internal Cleansing. Some of Most Alarming Conditions Appear When We Don't Cleanse Our System of Poisons, Toxins, Harmful Bacteria and Parasites. Disease Prevention is the Hallmark of Wachters' Health Mission.

Disease Prevention is the Hallmark of Wachters' Health Mission.

On Monday, January 13, 2003, from 4-6 pm PT. Call 1-800-633-8284 and Enter #21094679

Learn All About Wachters' Very Popular and Effective Line of
