

**YOU CAN NOW USE WACHTERS' HIGH-TECH
PERSONALIZED PRODUCT TRAINING SYSTEM!**

On Monday, April 14, 2003, download this Product Training Conference Seminar to your computer and listen and learn at your leisure.

Pain is Nature's Warning System

Pain is the result of stimulation of special sensory nerve endings throughout the body that transmit messages to the brain. Your body experiences the pain and discovers ways to respond.

Wachters' has created nutritional products which help with

PAIN RELIEF

Carrie and Dr. Wheeler discuss the special qualities of Wachters' Pain Relief products:

No. 52 – Magnesium-Potassium

May help with minor muscle pain from exercise as well as nocturnal leg muscle cramps.

WA Ache-B-Gone

An exclusive herbal combination that has been used for centuries in Chinese medicine to aid in relief from discomfort including arthritis and rheumatism.

WMH – Migraine-B-Gone

Another exclusive herbal combination formulated to aid in relief of migraines and other stress-related responses

WPR – Pain B- Gone

An exclusive general analgesic herbal combination that aids in reducing inflammation and stress-related disorders.

On Monday, April 14 only, these products receive an extra 10% discount on each product ordered. Case lots ordered that day receive the 10% discount plus a FREE bottle of the product ordered. All products are on Special until Friday April 18th with a FREE bottle for each case ordered in addition to your Distributor discount and still earn Standard RPV Credit.
